

**REMARKS**

The foregoing amendments to the specification merely involve corrective clarifications and correction of a reference numeral error, without involving introduction of any new matter.

The formal drawings submitted herewith are to replace the precisely corresponding informal drawings accompanying the filing of the application.

Accordingly, the application is now in condition for a complete examination on the merits without delay.

Respectively submitted,

  
JACOB SHUSTER, Reg. No. 19,660
